AUXILIARY PRESIDENT

Commander Wayne

Comrades and Auxiliary Members,

During this time of harsh weather, please take some time and reach out to members of this post to check to see how they're doing. A friendly phone call goes a long way and also to let them know we value their friendship and being a member of the VFW family.

I'm excited to report that our post is a part of a pilot program that is taking place on January 28th at Solista nursing home. The VSO will be there from 0900 to 1600hrs doing VA disability claims for the veterans residing in that facility. If everything goes well, he will be visiting other nursing homes doing the same thing. This is for the veterans who are not mobile enough to go to his office for an appointment.

Thanks to all the veterans and auxiliary members who are doing great things in our community. Your hard work shows that you care for the veterans in our community. Well done Job!! The post has several things coming up in the near future.

Please check the calendar that comes out with the post script. Spaghetti feed (fund raiser), low broil sea food dinner, old soldiers ball and the 106th anniversary of the post, 70's disco party, etc.... As you can see, we're trying to have good events that everyone can enjoy. But, in order for it to be a successful night we need your participation in these events. This is your post and please help us in keeping the doors open.

The post will be having a "SUPERBOWL PARTY". It will be a potluck and please bring your special dish to share with everyone. GO SEAHAWKS! If you have a problem with the post please come with the solution to the problem. Remember, the canteen is run by Len McCloud and if you have a problem with the canteen please direct your concerns to him.

In closing, the **VFW NO LONGER HAVE SOCIAL MEMBERSHIP!**

President Susan

HAPPY NEW YEAR!!!!

Happy February!!!!

Well, we have made it thru the first month of 2026. Do you notice any difference? How is it going with those resolutions???? If you are like me, any attempts at avoiding excess food and drinks is weakening already! So, good luck to you!!!

Hopefully we all are resolved to support our Post and our Veterans. The need to stay strong and solvent is vital this year. We are searching for fund raisers, so if anyone has any ideas, please share with us.

At our January meeting, the Auxiliary wrote messages of encouragement on 102 Valentines to be sent to the Veterans Home in Walla Walla in time to be distributed for Valentines Day! These little messages of cheer let our Veterans know that they are being thought of. We are considering expanding this project to some of the nursing home, and care facilities in the valley. Also, if you know of any home bound Veteran that might be cheered with an occasional card, please let the Auxiliary know by dropping a note in our Mailbox.

You may have noticed a white mailbox on the hall wall across from the Auxiliary Room. Please feel free to use this safe and secure box to leave any correspondence, forms or funds that need to go to the Auxiliary.

Don't forget Crafters Afternoon on February 19th at the Post from 1 to 3.

Salute to Veterans Patient's Week will be observed from February 9 thru February 15th. Plan a visit to a hospitalized or ill Veteran that you know!!

Happy Valentine's Day!!! As I am going on vacation and will be gone the latter part of January and the first part of February, I know that a Valentine's Special night will be planned for you. As yet, I do not have any of the particulars, as I am writing this January 19th.

First Vice, Ellena Hazen, will be in charge of the Auxiliary in my absence.

Susan...

We have upgraded our Steaks!

We are slowly changing the menu around. We started with getting better steaks. We are now offering a 8 oz Top Loin steak in place of the New Yorks that we had previously for dinner and breakfast, for the same price!

Please, come down and give it a try and let us know how we are doing. We need your ideas on how we can improve things around here. Please feel free to drop a suggestion in the suggestion box by the front door.

VFW Post 379 Challenge Coins are available at the bar for \$20. Get yours while they last.

Shaking Up Shake-A-Shift

We are adding a new twist to Shake-A-Shift. The cost is going to 50 cents per chance. For that you will get 2 rolls and you can "save" dice from your 1st roll for your second roll. Kinda like Yahtzee.

Prizes are : 5 of a Kind wins the Pot, 4 of a Kind wins another roll (no combining), A Straight wins a free drink (High or Low). Players get 1 chance per bartender. If a new bartender comes on shift, then you can roll again.

Honor Wall

The wall is growing and we would like to see it get bigger still. Put yourself or your loved one on the wall to be remembered forever in their place of Honor. Applications are available at the Post or can be emailed at your request. Cost is \$100 per plaque and the profit goes to support maintenance on the Post Home.
