Each year the local VFW provides funeral services for over 100 veterans. We couldn't do it without the help of sponsors. Your donations support local veterans and their families in their time of need.

Each funeral service costs about \$150. Please consider sponsoring a Veteran's service for \$150, or donate any amount.

### Expenses Include:

#### Transportation

#### Supplies

(blanks, name tags, flags, etc)

#### Uniforms & Laundering

#### Inclement Weather Preparation

Business donating will be recognized on the VFW website as a Partner in the Community: [vfwpost379.org/sponsors](http://vfwpost379.org/sponsors). Based on site traffic since the site launch, we estimate the website will receive approximately 1,700 site visitors per year.

I would like to sponsor Yakima's local VFW, Post 379. Please accept my donation of \$ \_\_\_\_\_.
